

UJENA JAM

TALENT SEARCH WEEK

“Get Published” By Casting at the Ujena Jam

Casting for Ujena Swimwear & Fashions is only at the Ujena Jams, www.ujenajam.com. The Ujena Jam makes it available for us and other companies we call Partners, to cast you for commercial contracts, prizes, and awards. The price to attend the Ujena Jam castings is for your lodging at the official resort only. We do not pay for talent to attend the casting but we offer programs to support you to find sponsors to help you attend. Check for local Ujena Talent Search events in your area. www.ujena.tv

If you are serious about modeling, photography, or makeup and styling, you need to invest in yourself. Never assume that someone is going to discover you.. Now you can market yourself through Ujena Network to secure support from your sponsors (businesses, family and friends). Direct them to the donor page on the Scholarship Program at www.ujenanetwork.com under “Live Events”. The Ujena Sponsorship/Scholarship program is a formal avenue for you to invite them to support you.

The cost to attend includes the hotel, food and drink. We offer great locations, like Puerto Vallarta, Cancun, and Cabo, Mexico for everyone to network and build portfolios instead of flying to California and casting at our corporate offices in Mountain View. We like to make it fun for everyone including your guests at our nightly networking parties, and Life Style Athletic events.

The Ujena Jam is a very unique event with our partners also casting for talent and the live networking opportunities for you. Think of achieving your goals, all in one place, that is the Ujena Jam! Sign up at www.ujenanetwork.com and post your free profile. Start marketing your career and join us at the Ujena Jam, www.ujenajam.com

“I look forward to working with you soon!”
